

## Potential Puppy Owner Information for Upcoming Litters

Our sire is Hickory Hill Homestead's Angus McGregor. Angus is from Old Time Scotch Collie Association (OTSCA) foundation breeder Miriam Munson's Heritage Mighty Rainier/Heiland Thistle's Xena. Angus' grandpa is Heiland Thistle's Diego. Great grandpa is Sojourner's Jacob who leads back to McDuffie's Beethoven and Dunrovin's Ole Shep.

One of our dams is Hickory Hill Homestead's Sadie. Her dad is 4J Acres Laddie bred by OTSCA foundation breeder Rebeca Bradley with 4J Acres Sandy and Gabby in her lineage that also leads back to Sojourner's Jacob, McDuffie's Beethoven and Dunrovin's Ole Shep.

Ainsley joined us in September of 2018. She was bred by OTSCA foundation breeder Rebeca Bradley of 4J Acres in Texas. Ainsley's dad is 4J Acres Sojourner Oscar. Her mom is 4J Acres Daisy. Ainsley's line goes back strongly to Sojourner Jacob, McDuffie's Sassy & Beethoven and Dunrovin's Ole Shep. We anticipate that Ainsley and Angus may have a litter in the fall of 2019.

Our puppies are lovingly raised with great attention to early socialization and daily individual handling based upon the Bio Sensor and Super Dog programs.
